

BISHOP McNAMARA CONFIRMED LARGE CLASS AT MOKENA SUNDAY

Mrs. Fannie Hacker Succumbs to Illness

After a heroic and seemingly successful fight for health following surgery, Mrs. Fannie Hacker, 73, of Mokena, passed away June 11 in Silver Cross hospital in Joliet.

Mrs. Hacker had been in poor health for several years. A number of years ago when her late husband founded the New Lenox Lumber and hardware company, they built a new home in New Lenox, but Mrs. Hacker preferred their home in the place of her birth.

Born in Mokena June 28, 1876, the daughter of Henry and Mary Barnes, she lived all her life in that community. August 11, 1898 she was united in marriage with George Hacker, who died in 1940.

Surviving are four daughters, Mrs. Eunice Vay, Mrs. Myrtle Batson, Mrs. Evelyn Whitaker, all of New Lenox, and Miss Muriel Hacker of Mokena; six grandchildren and two great grandchildren. Also three sisters, Mrs. Bertha Wallace, Mrs. Nellie McGovern of Mokena, and Mrs. Julia Walsh of New Lenox, five brothers, Henry, Theodore, Arthur, William and George Barnes all of Joliet.

Mrs. Hacker will long be remembered for her kindness to neighbors and friends and for her benevolent disposition.

Funeral services were held in the Sonntag funeral home in Joliet Saturday afternoon June 11 with the Rev. L. Reineke, pastor of the New Lenox Lutheran church officiating. Burial was made in Maplewood cemetery at New Lenox.

Frankfort Man and Manteno Girl Wed

The wedding ceremony of Miss Irma Payne of Manteno, daughter of Mr. Carl Payne of Manteno and Mrs. Payne of Herscher, and David Dralle, son of Mr. and Mrs. Edwin Dralle of Frankfort, was held in the Manteno Methodist church on Sunday evening, June 11 at 7 o'clock. The Rev. H. R. Funk read the vows for the double ring service at the altar flanked with palms and baskets of peonies and mock orange. The bride's brother, Francis, escorted her to the altar. Roy Griffin of Kankakee, sang "The Lord's Prayer," "Because," and "Always." He was accompanied by the organist, Mrs. Farrell Campbell.

The bride's gown was of white silk figured georgette with white satin. It was made with a high neck line, fitted bodice, long tapered sleeves and buttons down the back. The full skirt was made with a long train. Her fingertip veil was gathered into a tulle head piece. She wore the groom's gift to her, a string of pearls, and carried a bouquet of white calla lilies and white roses.

The bride's sister, Mrs. Alan Carstens, of Tucson, Ariz., was maid of honor. Her dress was orchid and her flowers matching sweet peas. The bride's attendants' dresses were fashioned alike of organdy, made with lace collars and full long skirts. Each wore yellow tea roses in her hair.

The bridesmaids were Miss Jeanne Switzer, and Miss Louise Smith, dressed in yellow and carrying yellow rose bouquets. The train bearer, Barbara League, and the flower girl, Marion Butler, were dressed in white. Everett Butler, carried the rings on a white satin cushion.

Ralph Dralle served his brother as best man. His other attendants were Alvin Wanner, Jr. and Reese Morrison. The ushers were Ralph Shoop and Russell Cadieux. The bride's mother wore a Benberg sheer, and Mrs. Dralle wore white accessories and corsages of white carnations. The bride's grandparents, Mr. and Mrs. Edward Payne, and the groom's grandmother, Mrs. Mary Subbert, attended the wedding.

At the reception held in the church parlors, the bride table was covered with white linen, and centered with a three tier cake flanked by candelabra. Miss Gwendolyn Payne poured the coffee, and Miss Clarette Weber cut the cake and Mrs. Marian Marr was in charge of the guest book. 150 guests attended.

After a trip to Niagara Falls and into Canada, the couple will make their home in a new residence built adjacent to the Dralle's home on their farm in Green Garden township. The bride graduated at the Manteno high school and the groom is a graduate of Peotone high school. He will continue to farm with his father.

Frankfort Girls Graduate as Nurses

Local Boy Scouts to Have Picnic June 19

Troop 40 of the Mokena Boy Scouts will have a potluck picnic supper in the village park, Monday June 19 at 6:30 pm. Their parents are invited. In case of rain they will meet in the school basement. Everyone attending is asked to bring their own table service.

This picnic is being held in preparation for the Scouts who are going to attend the Scout camp at Morris from June 25 to July 1. Henry I. Clark committee chairman, announced that in the recent paper drive the Scouts collected \$18.50 and they will report what use they will make of this money. John Shewski is the Scout leader of this troop.

Janet I. Mooney Married to Ralph E. Werner Sun. June 4

The New Lenox Methodist church was the setting for the summer wedding of the former Janet Ione Mooney, daughter of Worth B. Mooney, and the late Mrs. Mooney, and Ralph E. Werner, son of Mr. and Mrs. Ervin Werner of Manhattan. Rev. Ralph L. Miller officiated at the double ring, candlelight service, Sunday afternoon June 4 at 3 o'clock.

The couple exchanged vows before an altar banked with palms, white carnations, peonies and larkspur. The candelights were the Misses Joan and Jeanne Allen of Joliet. Misses Borden sang "I Love You Truly," and "Because," accompanied by Mrs. Howard Ayres at the piano. Rev. Ralph Miller sang the Lord's Prayer during the ceremony.

The bride was given in marriage by her father. She wore a gown of white rayon marquisette over tulle, fashioned with a double illusion neckline, with a double ruffle forming into a sweetheart neckline, fitted bodice, full hoop skirt, with three rows of double ruffling circling around to the back of the skirt and tiny covered buttons down the back. Long elbow fingerless gloves; fingertip veil edged with deep rayon lace over tulle halo, with orange blossoms. She carried a bouquet of white carnations and sweet-peas, and wore a string of pearls, the gift of the bridegroom.

Mrs. Norman Christiansen attended her sister as matron of honor. Her gown was pink organdy with a sweetheart neckline, and full hoop skirt, streamers fell from her matching hat, and she carried a bouquet of dark pink carnations.

The candelights, the Misses Joan and Jeanne Allen wore grey organdy dresses fashioned similar to that of the matron of honor.

Ringbearer was Dwight Borden, nephew of the groom, who carried a sweetheart shaped pillow of marquisette over tulle, and trimmed with wide rayon lace, bearing the two rings.

Glenn Borden was best man and Edward Mooney and Vernon Noechel were ushers.

The groom's mother was attired in a coffee brown and white sheer crepe dress with white accessories, and wore a corsage of variegated carnations.

Following the wedding, a reception was held in the church parlors with approximately 200 guests attending. The bride table, covered with a white linen cloth, was centered with a four tiered wedding cake, with bride and groom miniature topping. White tapers in crystal candelabra decorated either end of the table. Mrs. Edward Mooney, sister in law of the bride, served the cake; Miss Elaine Bobzin, served the punch; and Miss Marilyn Bobzin had charge of the guest book. Guests were from Manhattan, Joliet, Kankakee, Peotone, Elwood, Wilton Center, Frankfort, Lincoln, and New Lenox.

The new Mr. and Mrs. Werner will live in Manhattan on Thelma street following their 10 day trip to Niagara Falls. They stopped off in Cleveland, Ohio for a visit with relatives before returning home. For traveling the bride wore a beige suit with white accessories and a white carnation corsage. The bride previously kept house for her father and the groom is employed at the Corn Belt Hatcheries, Inc. in Joliet.

Tony Bettenhausen Wins in Auto Race

The 100 mile Rex Mays Memorial National Championship Auto Race held at the Fair Park in Milwaukee Sunday, was won by Tony Bettenhausen of Tinley Park. He was driving a Belanger Special, owned by Murrell Belanger of Crown Point, Ind.

Tony drove a terrific race, averaging 85.03 miles per hour and leading from start to finish, plus having a full lap on the entire field of racers. Paul Russo, of Hammond, Ind. finished second, 35 seconds behind Tony, Jim Davies, third.

At the qualifying trials Tony was clocked at 37.32 seconds for one mile. Also at these trials Lee Wallard broke a record for one mile which was held by Mel Hansen with 37.27. Wallard's time was 37.17.

At the end of the race Tony was presented a gold trophy and in speaking said, "This was a very tough race and I was under a great handicap as I had no brakes after the fifth lap and was also driving with only one eye as one side of my goggles had been broken."

All of Tony's fans attending the race were proud and pleased to see their home town man take the race.

Will Attend Several State Conventions

Mrs. Glenn Folkers, of Frankfort will leave Friday by plane to attend the Letter Carriers' and Auxiliary state convention as a National visitor. This will be held at North Rye Beach, N. Hampshire.

Former N. L. Girl Married in Joliet Church June 11

Mr. and Mrs. Alfred Engels, 909 E. 1st street, Joliet, and formerly of New Lenox, announce the marriage of their daughter Joyce Elaine, to Thomas Barrowman, son of Mrs. Mary Barrowman, 301 E. Jackson street, Joliet.

The wedding took place Sunday evening in the Second Presbyterian church, at eight o'clock, with Rev. A. A. Hartman officiating at the double ring, candlelight ceremony, with Mrs. Leonard Warming, organist. She played a medley of love songs.

A mixed bouquet of spring flowers decorated the center of the altar, white bouquets of pink and white peonies decorated either end.

Given in marriage by her father, the bride wore yellow net over tulle, fashioned with a round neckline, short puff sleeves, full skirt, and tiny buttons lined the fitted bodice in the back. She wore a large picture hat and carried a nose gay bouquet of white carnations and gladioli tied with satin streamers. Her only jewelry was a string of pearls, a gift of the groom.

Miss Carol Collatz, cousin of the bride, of New Lenox, was maid of honor. She wore a turquoise blue gown of nylon marquisette over tulle. It was fashioned with a full skirt, round neckline and ruffled shoulder. Her nosegay bouquet was of pink carnations and gladioli, tied with pink satin streamers. She wore pink carnations in her hair, and a crystal necklace, the gift of the bride.

Best man was James Barrowman, brother of the groom.

A reception followed in the home of the bride's parents, with approximately 100 friends and relatives attending. A white silk cloth covered the bride's table, centered with a mixed bouquet of spring flowers and flanked by white tapers in crystal candelabra. A three tiered wedding cake also decorated the table. Miss Vivien Engel served the punch and Mrs. Gladys Farrington, the cake.

For her daughter's wedding, Mrs. Engels wore a navy sheer dress, with white accessories. Mrs. Barrowman wore a navy print dress with matching accessories. Both wore a corsage of American Beauty roses. Mrs. Octavia Pugh, grandmother of the bride, wore a navy print dress with matching accessories and a corsage of pink and white carnations.

The new Mrs. Barrowman wore a melon colored gabardine suit with white accessories, and a corsage of melon and white carnations, for traveling. Upon their return from a short wedding trip, they will live in New Lenox with the bride's grandmother, Mrs. Octavia Pugh.

The bride is a graduate of Joliet township high school and is now employed at the Rock Island offices in Chicago. The groom also attended Joliet township high school, spent one and a half years in the U. S. Navy and is employed at the Rock Island yards in Joliet.

Local Students Rate High at J. T. H. S.

Mokena and Frankfort students who attended the Joliet high school and junior college made an exceptional record in scholastic honors this year.

Out of 12 Robert M. Adam gold key and pin awards, presented at the graduation exercises Friday night three went to Mokena students and one to Frankfort. Considering the enrollment of the schools is about 2500, the students of these villages made a remarkable showing in getting one-third of the awards offered.

The awards were made to the following high school sophomores: Joyce Schiek, 96; Junior, Earle Stell wagon 95.62; and college freshman, JoAnne Martie, 95.95, of Mokena. The high school junior award went to Neil Marie Munson, 95.22, of Frankfort, for her first year at J.T.H.S. During her freshman and sophomore years at Bowen high school, in Chicago, she was an honor student.

Phyllis Palmer and Donald Mangun Wed Sunday

New Lenox Methodist church was the scene of a summer wedding Sunday afternoon, June 11, when Rev. Ralph L. Miller united in marriage Miss Phyllis Palmer and Donald Mangun in a double ring ceremony at 3 o'clock.

The bride, daughter of Mr. and Mrs. Walter Palmer of New Lenox, was given in marriage by her father. The groom is the son of Mr. and Mrs. Vernon Mangun, 612 Second avenue, Joliet. Arthur Myerberg sang "Because," "You're My Heart Alone," and "The Lord's Prayer," accompanied at the piano by Mrs. Howard Ayres.

Bouquets of spring flowers and palms banked the altar.

The bride was lovely in a white embroidered organdy gown, Ballerina length, full skirt, and Peter Pan collar, short sleeves, fitted waistline and tiny buttons lining the front of the waist. Her headpiece was a halo of white satin, entwined with pearls and a short blusher veil. She carried a colonial bouquet of rose colored rosebuds and white sweet peas.

Miss Joan Kern, maid of honor, wore an aqua dotted swiss organdy gown Ballerina length, fashioned with stand up collar, short sleeves, full skirt and fitted bodice. Her headpiece was a halo of white daisies and her colonial bouquet was yellow rose buds and white daisies. Bob Marks of Madison, Wis., was best man and ushers were Bud Huttenhoff and Ralph Stegman.

Mrs. Palmer, the bride's mother, was dressed in a navy blue summer crepe with a short beige linen Tom Thumb jacket. Her accessories were of navy and beige and she wore a corsage of pink gladioli. Mrs. Mangun wore a navy sheer dress with navy and white accessories, and a corsage of white gladioli.

Following the ceremony, a wedding reception was held in the church parlors with approximately 300 friends and relatives attending. The bride table, covered with a white linen cloth, was graced with a four tiered wedding cake, with bride and groom miniature topping, bouquets of white gladioli and white sweet peas, and lighted tapers in crystal candelabra. Mrs. Joseph Price, an aunt of the bride, served the cake, while Miss Joyce Frick and Miss Marcia Mangun presided at the punch bowl and coffee urns.

The new Mr. and Mrs. Mangun left for a two week's western honeymoon trip and upon their return will reside in New Lenox.

The bride is a graduate of Joliet township high school and is now employed at the Rock Island offices in Chicago. The bridegroom is also a graduate of Joliet township high school, spent a year in the U. S. Navy and is employed with his father as a decorator.

LETTERS TO THE EDITOR

AN OPEN LETTER TO ORLAND HIGH SCHOOL DISTRICT

The Orland Community high school board is making a determined effort to put through a consolidation with Palos High School district. I cannot understand this pressure unless the Board has been dazzled by the prospects of a BIGGER school regardless of all other considerations. The reasons given in your paper just do not hold water.

Orland High school does NOT have to do anything at the present time. New legislation DOES affect Palos. It is understandable that those people are anxious to make the best possible deal before the State Superintendent of Schools arbitrarily annexes them to some district which they may not like or where they cannot express their educational desires—in plain words "be the boss."

There is good reason to believe that, should the decision come to the State Supt., he would annex North Palos to Argo and South Palos to Orland high school. Why should Orland rush into a deal to include all of Palos township?

Good education rests squarely on the amount of taxable property for each school child in the district. Palos, with less than \$10,000 per child, could not support ANY kind of a high school by itself. So, it would be a "good deal" for Palos to join up with Orland where large tracts of vacant land and a smaller school population give \$16,000 for each school child. AND WE KNOW THAT OUR FIGURE IS NONE TOO MUCH.

There is a much larger voting population in Palos than in Orland township. So, it would be a Palos high school regardless of any "gentlemanly agreement" which may be made in regard to the school board and the school site BEFORE the consolidation.

TO LAY CORNER STONE FOR NEW WAYSIDE CHAPEL AT PALOS PARK

Many folks travelling along Southwest Highway between 126th and 131st Street have looked up to the high knoll of the Community Center Foundation to see a building gradually taking shape and may have wondered what it would be. It is to be the Wayside chapel, open to all regardless of creed, for meditation and worship, and thus it is a living memorial in memory of all who have shared to make it possible.

The Chapel was designed by Architect Jim T. Pomeroy of Orland Park. It is a beautiful modern gothic type of building, and is built of Lannon, Crab Orchard, Tennessee and Colorado stone furnished by the Zimmerman Cut Stone company. When completed, it will seat 54 people.

The fishing contest sponsored by the Tinley Park hardware was such a success last year that C. M. Smith, proprietor announced Monday that he will make it an annual affair.

The second annual contest opens today (June 15) and runs to October 1. And it is open to everyone, men, women and children for fish caught in any inland waters of the United States or Canada.

On another page of this paper, Smith has announced contest rules and given a list of prizes, which amount to about \$200 in merchandise.

It costs nothing to enter this contest—just bring your fish into the Tinley Park hardware, where it will be put in a deep freezer and kept on display until a bigger fish is entered in your classification. All fish will be returned to owners after the contest is over: Simple— isn't it?

Prizes are now on display at the store, and entrants include every one in this area.

ALUMNI BANQUET HUGE SUCCESS

The 43rd annual alumni banquet of the Frankfort public grade school was held Tuesday, June 6 in St. Peter's Evangelical church. It was said to be the best of recent years.

The evening's program was opened with the invocation by Rev. Bizer followed by a splendid dinner served by the Women's Guild of the church.

The recent graduates and alumni members were welcomed by the president, George Sangmeister Jr. A short business meeting followed. The toastmaster was Albert Krusemark, Jr. and Rev. Bizer led in some group singing.

Miss Lankenau, principal of the Frankfort grade school, introduced the graduates, their parents, and the school board.

The main speaker of the evening was Fred Schulze, personal director at the Ruberold plant in Joliet. He gave an entertaining talk on "People are Funny."

The surprise of the evening was the fact that the founder of the organization, Mr. H. Craie, was present and all enjoyed hearing him speak.

The entertainment of the evening was a skit entitled "Remembrances." It was through this skit that many old memories were recalled about the days when we were in grade school.

Following this the Benediction was given by Rev. Munson and the banquet closed with the singing of "God be with you till we meet again."

We Know So Little About "C. P."

Until quite recently, when you mentioned the cryptic symbols, "C. P.," very few people understood what it meant. In fact the percentage who didn't know was greater than the soap ads purity ratings.

"C. P." is a gentle way of indicating Cerebral Palsy, the cruellest, most vicious malady which can afflict childhood. Our interest in the tragic neglect of this pitiful problem was sharpened when a slogan, which may be used in a national appeal, was created by Jimmy Hart of Joliet.

Educating the general public to an intelligent attitude toward the terrifying afflictions of cerebral palsy, cause of the dreaded "spastic" condition in children, is a slow process. The tormented victims of C. P. have been wrongfully regarded as mentally deficient. This unfortunate attitude is a holdover from medieval times.

Only in the past few years has painstaking research proven that many of the unfortunate victims of this pitiless malady have very limited brain injuries, and, with careful and competent training, can do amazingly well in most of the normal functions of thinking and acting.

As one staunch defender so tersely puts it: "The tremendous advances in the treatment of a large percentage of those stricken by cerebral palsy, now show them to be brighter in mind than those who brush off the plight of the palsied. Logically, anyone who has the will power to do what some cerebral palsy victims have done in making themselves useful citizens, is a person of strong and superior intellect."

What causes cerebral palsy? What will cure it? No one seems to have the answers. Two things alone are known; C. P. is not contagious and it is not inherited. There are more than half a million Americans who were born with this piteous handicap, and each year, in our country alone a terrifying percentage of newly born babies are its helpless victims. In round numbers, the figure reaches 10,000 yearly.

Luckily, poor little polio victims, or those touched by cancer or t. b., have huge funds and facilities for care and treatment. Not so the C. P. child. There is now trained personnel and facilities for the care of only one C. P. victim in a hundred!

John Balaban, president of Balaban & Katz, and state chairman of the Illinois Cerebral Palsy association, says: "The unpardonable phase of the C. P. situation is that about 75 per cent of the afflicted can be taught to make astonishingly successful use of their unimpaired faculties. The only reason this hasn't been done is the lack of money."

"The United Cerebral Palsy Assn., Inc., is trying to raise five million dollars in its nation-wide drive to finance research, diagnostic and training work. If you know what a reasonably informed and intelligent citizen should know about the miracles that have been wrought through the last few years in helping C. P. victims help themselves, you'd be like National Chairman Bob Hope in giving a hand to youngsters who are putting up an absolutely magnificent battle."

"These kids and their parents figure in a dramatic fight against a mysterious terror. They've fought without complaining, and, by their high courage and hope, they have won the solid support of the more fortunate, who want to get in there and slug when the unlucky really need pals."

"That's why Bob Hope is such an inspiration to this magnificent drive; because he is a working chairman, not just window trimming. It is because of his untiring efforts, and co-chairman Kate Smith, and hundreds more, whose hearts are bigger than Soldier's field, that each day pennies and nickels and crumpled banknotes are pouring into 'C. P., Box 822, Chicago 90, Ill.'"

All we can add to this great appeal is that it was certainly a stroke of genius to make that fine star Bob Hope the leader of this drive. What a great comfort to those thousands of helpless kiddies—"The Star of HOPE." Yes, sir, that's pretty sound thinking.

And, as a certain crusading columnist in Chicago might add: "My KUP runneth over."

SOFTBALL

by "Beans"

Gentlemen: (with reservations). Comes the deadline and another softball column. I have so much to do this week I don't know where to start. I'll proceed to delve into the way the teams are shaping up before the more important matters. The season is now three weeks old and already the teams are starting to line up with respect to their finish. 2 1/2 months hence. More than likely this is the way that'll finish unless something happens. As last year the strong teams are very strong and the weak teams are more or less mediocre. This doesn't mean, of course, that tailenders aren't potential leaders. We merely have a serious lack in our hitting departments. The only games fit to watch are games between tailenders or leaders.

Say, fellers and fans, got good news! Something extra special is on the agenda for Thursday the 29th of June. No doubt you all know what a donkey softball game is. I don't never saw one. My bro. Dan played in one once upon a time, many

time by earning a spot on the old 63rd street Englewood Morgans (now extinct) out in left field. They were a hard-ball team and mighty hot, according to Hank. In '36 Hank joined the Chicago umpire association and was in it until '43 when Uncle Sugar don't sent a little card saying your next brother. The CO2 on Hank's shirt and cap are from his old umpiring days. Hank kept his hand in down at Port Sam Houston, Texas by batting the ball around for a past time. Upon receiving walking papers from the army, Hank moved to Misery Park and eventually became the brow-beaten umpire for the softball league. He's also the Fenne Fatties umpire when available. He really likes punishment! As you now no doubt know, we are mighty lucky to have such a swell ump and fel ow to ump our games.

GIRLS' 13" SOFTBALL

The girls in this South Cook County area are truly going baseball nuts. The Tinley girls had a swell team last year, but they weren't organized and played scrub games whenever possible. This year the story is much different. Under the able management of Eric "Moose" Nasebandt, the girls are clicking on the front burner. The Moose is well equipped with kid gloves (he needs kid gloves with those temperamental females) and is putting a winning team together. His potential material is unlimited.

The girls joined the Sportsman's Club on June 12 when the fellas voted them in. You're going to be sorry fellas, The Sportsman's Club puts out Tinley's winning hardball teams.

The girls awhile back joined a league here in South Cook County. The name I don't know, but judging from the team, I bet the competition is going to be keen and well worth watching.

Those wealthy girls have bought themselves short sleeved blouses, skirts, and caps—mostly blue with gold trim. Come on out and see them. They look mighty snazzy. I'll post a schedule as soon as one is made out.

About the 5th of June, the girls travelled to Orland and got squeaked out by one run. Final score—14 to 13. The only other score I have is the Madison, Oak Forest game won by Madison 6 to 5. By the time the Times is put to press, the girls will have played Midlothian at Memorial Park. The score of that game will have to wait until next week.

A rut schedule for the Tinley girls is as follows:
North Harvey at North Harvey. Where the diamond is I don't know. Ask the Moose if you're interested in going.

Madison, here, Monday evening at 7:00.
Oak Forest, at Oak Forest, down in the hollow about 5 blocks north on Cicero. Look west and you can't miss.

COME OUT AND CHEER FOR THE WINNERS!

Tinley Park 16 inch Softball

Sunday, June 11 the Tinley Sportsman, visited Oak Forest and took an eight to three spanking.

Tinley picked up one run in the first inning but Oak Forest bounced back with three in their half of the first.

The Sportsman counted one more in the third and Oak Forest scored two more in the last of the third. Tinley's last count came in the sixth when DuBois tripled after two were out and Bettenhausen followed with a single.

Oak Forest went on pecking away at Rice's offerings scoring one more run in the fourth, one in the sixth, and one in the eighth.

Sunday, June 18 Stickney will visit Tinley at Memorial Park. Game time 2:30 p. m.

Tinley Loses to O. F. Sportsmen "B's" Tie In 8 Innings 4 to 4

The Tinley Park Sportsman went out Friday and stumped the Harvey

Wildcats to a four-four tie.

The Wildcats who were last years champs were surprised by the spark of the Tinley team. Tinley started scoring in the first inning when Don Goessel walked, stole second and scored on a double to right field by Ken Webster. Dick Gray then walked, Joe Gallina struck out but Don Kuech walked to load the bases.

Then Jack Tomlinson walked to send Webster home with run number two and sent Vreshek out of the game and brought in Al Dolph who quickly retired the side. Harvey picked up a run in the second but Tinley got another in the second also to make it 3 to 1.

Harvey came up with three runs in the fourth to go ahead 4 to 3. In the fifth Jim Tomlinson was safe on an error by the pitcher Dolph and scored on Jeffords triple but Jeffords was out trying to stretch it into a home run.

Tinley had 4 runs, 5 hits and 4 errors. Jim Tomlinson pitched another great game but lack of support figured in some runs.

Sportsmen B's Win Again

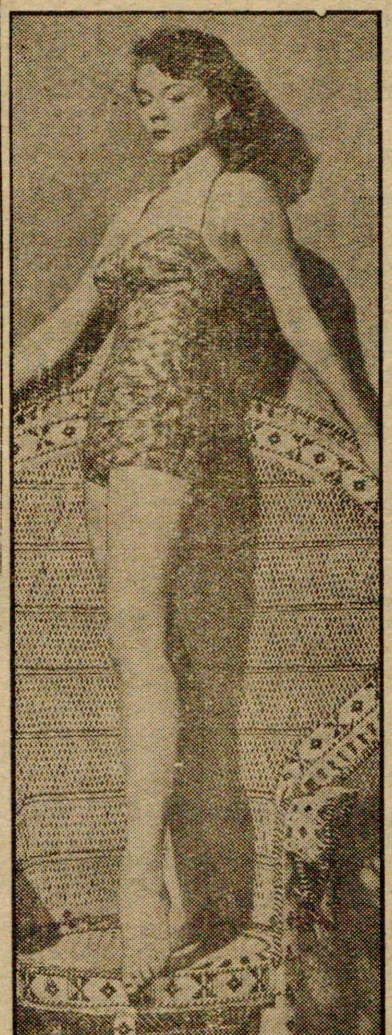

Monday evening the Tinley Park Sportsmen overcame a 3 to 0 deficit in the first inning and beat the Pirates 5 to 4.

Tinley collected but four hits but with two men on, Paul Jeffords banged a triple into right center field in the fourth inning to tie the game.

In the sixth inning smart base running netted Tinley the winning run, as Dick Gray walked, stole second, and went to third on a wild throw. Then Don Kuech walked and while Don was making the pitcher keep a close eye on him Gray raced home.

Harvey's three runs in the first came on a single, a walk and a home run by Nick Diles the pitcher. Jim Tomlinson pitched another fine game and hit out of some tough jams when errors were made.

Tinley will play the Harvey Braves Friday at 6:15 on the home field.

IN MEMORIAM

MUEHLER, Martin and Wilhelm. In loving memory of our parents who passed away two years ago June 13.

They bid no one a last farewell. They said goodbye to none; Their loving hearts have ceased to beat.

Before we knew it, they were gone. THEIR CHILDREN

Mr. and Mrs. Leo J. Marcoux of Flossmoor moved last Saturday into their new home, Sylvandale, at 202d street, Mokena. The Marcoux's purchased the home, started by V. Shaw and completed it before moving into it. They have three children, John, Eugenia, and Thomas.

Mr. and Mrs. Paul Mapes and daughter Pauline, and Mrs. Louise Schweser and Miss Marguerite Schweser of Joliet were guests of

Mrs. Rose Bechstein and Mrs. Lydia Ryan Sunday.

Mr. and Mrs. George W. Steele entertained her mother Mrs. Carl Benson and Mr. and Mrs. Paul Anderson and daughter Lynn of Gary, Ind.

The Anderson's have just returned from Sweden where they spent six months traveling.

Miss Adeline Semmler attended the banquet of her high school class in the Woodruff hotel Saturday.

Mr. and Mrs. John Martin were dinner guests of her sister and family, Mr. and Mrs. William Hartwig in Chicago Heights Sunday to help celebrate Mrs. Hartwig's birthday.

Miss Adeline Semmler will be co-hostess at a miscellaneous shower tomorrow night in the home of Mrs. Arthur Holloway in Joliet, given for Miss Agnes Cole and her approaching marriage June 25 to Mr. Robert Peckins. The wedding will take place in the Second Presbyterian church in Joliet.

Mr. and Mrs. Frank Sizer will leave Saturday for a two week's vacation at Marquette, Wis. The following Saturday they will be joined by their daughters, Alice and Mr.

and Mrs. Roy Ebert and daughter, Mrs. Frank Sizer Jr., and infant son who was born Memorial day at Evangelical hospital in Chicago returned home June 3. The baby, who weighed six pounds, has been named Frank III.

Mr. and Mrs. Stanley Piper and daughters Mary Lou and Betty spent Sunday with her mother Mrs. Florence Steele and family. Mr. and Mrs. Piper also attended the graduating exercises at the JTHS when their sister Miss Alburn Steele was graduated.

Mrs. Ruth Schneider of Chicago spent Sunday with Mr. and Mrs. Hugo Neithammer and daughter.

Mr. and Mrs. Anton Benson and Mrs. Elmer Benson spent the week end in Rockford with the former's children. They attended the graduation exercises at the West Rockford high school when Rodger Benson, 17, son of Mr. and Mrs. Edwin Benson, was a member. He won honor for being among the 10 highest in the class. For the summer Rodger will work with his father at his lumber company at Bradley, the Bradley Security Lumber Co., and in the fall he will enter Northwest

ern university. While there the Mokena folk attended the Peaches baseball game played by the Rockford girl's team.

The Women's Guild of St. John's church is meeting at a luncheon birthday party in the social room of the church today.

Relatives surprised Mr. and Mrs. Lester Schiek in their home Sunday afternoon to remind them of their 25th wedding anniversary. A mock wedding was presented which afforded much amusement. Supper was served and the guests gave a gift of money to the honored couple.

Present were Mr. and Mrs. Carl Caneva, Mr. and Mrs. Frank Marshall and Mrs. Dean Gillette all of Lockport; Mr. and Mrs. Ronald Knipple of Frankfort; Miss Mary Alice Knowles of New Lenox and Mr. and Mrs. Floyd Williams and daughter Donna of Mokena and Miss Donna Gillette.

George Edward Hentsch was the name given to the son of Mr. and Mrs. Walter Hentsch upon the baptism of the child which took place last Sunday afternoon with Rev. W. Riemann officiating. The sponsors were Marjorie Yunker, Ervin

Hentsch, Arrian Yunker and Fred Hentsch.

Miss Dorothy Riemann of Chicago spent the last weekend with her parents, Rev. and Mrs. W. Riemann. Mrs. Henry Clark and son Henry entrained for Kansas City, June 4 where they are enjoying a visit with her brother, Mr. and Mrs. Mearl Brookmann. They expect to return home Saturday. Mrs. Brookmann and three children will come with them by auto.

Mrs. John Balaz went to Ottawa Friday to visit her brother Lewis Nelson and family and to attend the graduation of her nephew Richard Nelson. Her brother underwent surgery Monday and she will remain pending the outcome.

Mrs. N. F. Helman accompanied her son and wife, Mr. and Mrs. Alfred Helman of Plainfield, when they motored to Detroit, Mich. over the weekend. They visited the former's sister, Donald and Norman stayed with Grandpa Helman while their parents were gone.

A son was born Sunday morning to Mr. and Mrs. Kenneth Warning in the Chicago Lying In hospital. He weighed seven pounds.

The Girl Scout leaders and instructors held a pre-day camp Friday at Van Horn's woods.

Mr. and Mrs. Barney Hostert and Mr. and Mrs. Jack Hostert of Canada spent Friday with Mr. and Mrs. Vernon Haag at Cullom.

Richard Dunham has recovered from a throat and mouth infection. Mrs. August Pfleger is recovering from bruises she received recently when she fell out of her wheel chair.

Mr. and Mrs. J. W. Patterson, in company with their son Herschel and son Glenn of Frankfort, left June 4 on a six week's motor trip. They will cover parts of Canada visit their daughter, Mr. and Mrs. M. M. Duncan and family at San Francisco and go into the southwest before returning home.

The infant daughter of Mr. and Mrs. James Horras was christened in St. John Evangelical and Reformed church Sunday afternoon at two o'clock by the pastor, Rev. Wm. Riemann. Name given was Kathleen Marie. Sponsors were Mrs. Jean Fulton and John Horras.

Mrs. John Horras and infant son

Gary Edward, who was born in Silver Cross hospital June 2, returned home last Friday. Gary weighed 7 lbs. 4 ounces at birth.

CARD OF THANKS

LEHNERT, Albert—It is impossible for us to express in words our heartfelt thanks for the wonderful way in which relatives, friends and neighbors came to our assistance during the illness and death of our beloved son and brother. We especially thank Rev. Wm. Riemann for the comforting words, Mrs. Strassenberg, the organist, and Arthur Lambrecht the soloist, and to the many friends for the flowers and to those who donated their cars.

CARD OF THANKS
We wish to thank all who helped to work the ground on my farm and plant the grain; also the women who cooked and served the food.
Sincerely,
MR. and MRS. JOE LEHNERT

CARD OF THANKS
My sincere thanks to my many friends and relatives for the lovely cards, flowers and gifts I received during my recent illness.

DEARBORN RAKE

• Turns short as the tractor!
• Rakes fast but gently!

New DEARBORN RAKE

Side Delivery

An outstanding Heavy Duty rake for the Ford Tractor that handles hay gently and permits the speed that takes full advantage of good weather.

Gentle handling is assured by new tooth motion and reel angle that gives approximately 8 ft. raking width with less travel-handling of hay.

Ford Tractor Hydraulic Touch Control lifts and lowers the full floating reel for short, fast turning. Rake pivots on tractor drawbar, turns almost as short as the tractor's own turning radius. Equipped with 22 roller bearings. Come in and see this great new rake.

The New Lenox Bluebirds 4-H club met June 3 in the home of Judy Olson. The meeting was called to order by the president, leading the 4-H pledge. Routine reports were given by the various officers. Karen Boyd joined the club at this meeting. Sandra Eden gave a talk on pasturization, in care of milk; Patsy Gilgen told of making milk sauces; Jane Oram gave an interesting talk on music, and Sylvia Terrando demonstrated How To Tumble. Refreshments were served. The next meeting will be held June 24 with Jane Oram.

The Cardinal 4-H club met June 7 with Ann Therese Zusag. The meeting was to have been held at the home of Barbara Schaefer, but changed due to her absence. The next meeting was scheduled to be at the Schaefer home June 20. A trip to the University of Illinois for 4-H club members was discussed and a letter concerning it was read. The following dates were given as Achievement day, August 1, 2, and 3. Day camp for our district is June 28. The sports festival is August 24, and State Fair is August 11 through 19. Talks given by Joan Kern, on cakes; Florence Cruise, on "Why Preserve Fruits and Vegetables". The date, place, entertainment for the June party was planned as well as the refreshments. The meeting adjourned and refreshments were served.

In a letter received from friends this week from Tucson, Ariz., we learn that Priscilla A. Senning (better known to her many friends here as Sis), daughter of Mr. and Mrs. Herbert Senning, graduated from Amphitheater High school, in Tucson in May. David Senning is playing his second summer of American Legion ball, he plays short-stop, and Tom Senning is keeping up the

family tradition—he's a drummer in the school band. The Senning's are former New Lenox residents, having moved from here two years ago.

The Young Woman's club met Friday evening in the home of Mrs. Shirley Jensen. Canasta was played and prizes were awarded to Mrs. Ruth Goetshall and Mrs. Faye Pfeiffer. Refreshments were served after the games at quartette tables. Mrs. Marjorie Bruns was a guest.

Mr. and Mrs. Eugene Kost of Chicago were Sunday guests of Mr. and Mrs. Len Anderson and family. Mrs. Earl Schroeder and daughters were Sunday supper guests of Mr. and Mrs. Harry Werner and daughter Betty.

Mr. and Mrs. Leon Olson have returned to their home in San Francisco, Calif., after visiting here this week with his sister and family, Mr. and Mrs. Roland Walde. Mr. and Mrs. Carmel Erikson and family spent the week end in Portage, Wis., with Mr. and Mrs. Ben Losstedt, sister of Mrs. Erikson. The local Womans club enjoyed a trip through the American Institute laundry in Joliet, Tuesday.

Mrs. Richard Lasater and daughter Jane Lee left by plane Sunday afternoon from Chicago for Cottage Grove, Oregon, where she will visit with his parents before joining her husband at San Francisco. Mr. and Mrs. Ray Osmus and daughter Beverly were here from Jackson, Mich., over the week end to see their daughter off. Mr. and Mrs. Laverne Braun and daughters Karen, Nancy, and Sue Ann and Dotte Jean Anderson accompanied them to the airport. The Osmus family returned to their home in Jackson Monday.

Mr. and Mrs. Willis Virkus of Onarga, Illinois, Mr. and Mrs. Lawrence Walde of Kankakee, and Mrs. Frank Norman, of St. Louis, Mo. were Sunday guests of Mr. and Mrs. Roland Walde and family. Mrs. Norman returned to her home in St. Louis Monday.

CHICAGO FAIR PREPARES GALA OPENING

BEAUTY ON ICE—Daphne Walker (above), British women's figure skating champion and former world's champion woman figure skater, is one of stars of the new Voorhees-Fleckles "Ice Varieties" show at the Chicago Fair of 1950. Show will be presented four times daily in glittering outdoor rink on city's lakefront beginning June 24.

"SPIRAMID" GOES TO HER HEAD—Struck by beauty of "Spiramid" symbol of Chicago Fair of 1950, "Miss Chicago," (left) (Teresa Giorgian), promptly appears in hat adaption of design which combines spirit of America's pioneer heritage with its aspiration for the future. She holds model of "Spiramid," which was inspired by the dominating features of the spiral and the pyramid.

Final preparations for the Chicago Fair of 1950 are drawing to a close with construction of the colorful showcase of national progress and rehearsals for the many entertainment features which will be thrown open to the public on the city's lakefront June 24.

Entertainment catering to the tastes of all age groups will include such spectacles as the mammoth "Frontiers of Freedom" pageant, tribute to American achievement since 1680; the Voorhees-Fleckles "Ice Varieties" show on a glittering outdoor rink; a "Music-in-the-Round" theater, offering one-hour condensations of famous American operettas and musical comedies;

Cypress Gardens Water Thrill Show, featuring speed and grace on water skis; a colorful one-ring circus and a "Dixieland" fun area patterned after a gay, romantic city of the Old South.

Among educational exhibits sponsored by America's leading industries are the Oil Industry's Service Center, Westinghouse Electric Corporation's "Theater of the Atom," Armour and Company's "Country Fair," and an "Avenue of American Homes."

The exposition, which will depict and dramatize achievements of agriculture, commerce, industry, and science, will continue through Labor Day.

ceived the loan of 300 books from the extension department of the state library. This is a wonderful selection of books and children can take advantage of the summer vacation for reading. There is no charge for taking books out, to any child in New Lenox township, unless they are kept overtime. Don't forget the annual carnival

Larson; pop, Ted Rowsell, Karl Johnson; ice cream, Mrs. Betty Hansen; and basketball game, Jimmy Batson.

Mrs. Norman Roth who has been quite ill, is improving slowly and is now able to be up in a wheel chair.

The Womans Guild of the Grace Episcopal church met last Thursday night, June 8 in the parish hall for their monthly meeting. Mrs. Judy Carr, Mrs. Alta Rowsell, and Mrs. Lena Kouri were hostesses. Mrs. Frances Regan conducted the business meeting, and routine reports were given by the various officers. Plans were completed for the annual carnival to be held June 22 on the church grounds. A report was given by Mrs. Anna Parsons on the recent June frolics dance. Refreshments were served tray style from a table covered with a white linen cloth and centered with a bouquet of pink snapdragons.

Fred Schriever has returned to his home at Rossville, Illinois after a visit with his daughter, Mrs. Herbert Duerr and family. Mrs. Paul Bachman and infant son Keith have returned home from Silver Cross hospital.

Mrs. Ralph Werner, the former Janet Mooney was honored at a shower recently in the home of Mrs. Norman Christensen, with Mrs. Dale Runty as cohostess. The honored guest, and Mrs. Ervin Werner, mother of the bridegroom, were presented with corsages upon their arrival. Crash bunco was played with prizes going to Mrs. Helen Anderson, Mrs. Irene Fredin, Mrs. Archie Corp and Mrs. Lily Hobbs. The honored guest was presented many lovely gifts and refreshments were served at quartette tables decorated in pink and green. The Calvary Baptist church announces that daily vacation Bible school will be held from June 19 to 23 from 9:00 am. to 11:30 am. daily. An interesting program of games, stories, songs, handwork and contests is being planned by the teachers. All of the children of the neighborhood are urged to attend.

Rev. Wm. N. Kerr of Calvary Baptist church received his Bachelor of Divinity degree on May 22 from the Northern Baptist Theological Seminary of Chicago.

A class of four boys and three girls received First Holy Communion at St. Anthony's church Sunday June 4 at 8 o'clock mass. The class included James and Richard Storm, John Van Donk, Frank Steck, Beverly Kluth, Elaine Studnicki, and Ann Edstrom.

Last Sunday, June 11, about 30 children from Lincoln Estates were confirmed in St. Mary's Catholic church in Mokena at 7:30 pm. Bishop McNamara of Joliet officiated at the ceremony and preached a very inspiring sermon to the young people.

Mr. and Mrs. Jay Bissell entertained a group of friends from Chicago at dinner and bridge last Saturday evening.

Mr. and Mrs. Arthur Wilson, 81 ave., had their small son Billy, baptized by Father Juniper of St. Anthony's church last Sunday morning. The god parents were Miss Eileen Wilson and Joe Napoli of B.

Chicago Heights. After the ceremony the group proceeded to the home of Mrs. Wilson's parents, Mr. and Mrs. Stanley Hackof Chicago Heights for dinner.

Mr. and Mrs. George Storm, Rt. 30, entertained 35 relatives from Chicago, Dolton, Tinley Park, Channahon and Hobart, Ind., last Sunday in honor of the confirmation of their three children Richard, James and Barbara.

Richard Storm is spending his vacation with his grandparents Mr. and Mrs. A. C. Gerth at Hobart, Ind.

Mr. and Mrs. Steve Studnicki, Hillside Rd. entertained Mr. and Mrs. Frank Josalsky, Stanley Schulltz of Chicago, Ann Sluth of Tinley Park, Mr. and Mrs. H. Raciak and Walter Studnicki of Chicago on Sunday, June 4, in celebration of their daughter Elaine's first communion. The following Sunday, June 11, the Studnicki's son Ronald was confirmed and the same group participated.

Herschel Cave of Frankfort is spending part of his vacation with Mr. and Mrs. George Walker, on 78 avenue.

"Early to bed and early to rise" is not so much a mark of diligence as of one's temperature pattern. The World Book Encyclopedia points out. You will prefer this schedule if you have a high body temperature and a high efficiency rate in the mornings. If you are one of the high evening temperature people, you will want to stay up late and sleep in the morning—and chances are you will wake up tired.

New Officers For Frankfort Auxiliary

The Auxiliary of the Bobzin-Swinford post No. 1098 of Frankfort met at the village hall last Thursday evening for their regular meeting, with Mrs. Ralph Neiland, first vice president, presiding in the absence of the president, Mrs. Donald Carroll. Mrs. Howard Osmus gave the secretarial report and Mrs. Herbert Bixler the treasurer's report.

It was decided to have a craft shop booth at the firemen's picnic and members are asked to volunteer to work at short intervals during these two days.

A report was read on Poppy Day which amounted to \$77.11 collected.

The members want to thank one and all who assisted in any way.

Election of officers was held as follows: president, Mrs. Orville Schinkowski; first vice president, Mrs. Howard Osmus; second vice president, Mrs. Walter Mark; secretary, Mrs. Clarence Holsner; treasurer, Mrs. Howard Seemann; historian, Mrs. Harry Miller; chaplain, Mrs. Fred Schinkowski; sergeant at arms, Mrs. Edmund Ebert. Later tray favors were made for the hospitalized veterans.

Under The Cross Of Malta

At the regular meeting last Thursday, an important issue came up for discussion and since the attendance was not very large it was decided to table the issue until the next meeting which will be June 22.

The commander announced that every effort will be made to start the meeting at 8 p. m. sharp. It will be necessary for the members to come early so meetings can be called on time. Most meetings will be over in 45 minutes or less. After the meeting the commander promises a lunch and refreshments. Give the commander your cooperation to get meetings started on time, then you will get out early enough to make other plans after the meeting.

The grand opening and public obligation of recruits will not be held June 25 as announced. It was the opinion of those present that we do not have time enough to advertise the event to get a good attendance from other posts, and that we should make an effort to get more recruits to receive the obligation, so that we can ask a drill team from another to come and put on the work for us. A tentative date has been set for September 10 or 17.

Com. Peterson, Fred Hentsch, and Eino Saarela are planning to go to Rock Island June 16, 17 and 18 to attend the Illinois Department encampment. A report of the encampment will be given at the next meeting. — Eino L. Saarela, publicity.

P. S. Remember the dance June 17. Come out and enjoy yourself and give your post a boost also.

Will Demonstrate New Farm Product

A field day will be held on the Thomas R. Greenwald farm at Yorkville, Saturday, June 17 starting at 1 p. m. DST. The purpose of the field day is to demonstrate the filling and unloading of the A. O. Smith Harvestore.

This is a new farm product of a mechanical crop-storage unit which embodies several remarkable features. The standard structure is 14 feet in diameter and 40 feet high and has a capacity of about 140 tons of corn silage. The walls are sheets of steel to which glass has been fused both inside and out. It is airtight and is unloaded from the bottom by a mechanical device that delivers hundreds of pounds of silage per minute. Because no appreciable amount of oxygen can enter, all spoilage is eliminated.

The glass is resistant to the acids produced by silage and to all sort of weather conditions.

The Greenwald farm is located on highway 47, 3-4 mile south of Yorkville.

VOTE NO CHANGE IN TWP. LAWS

GILMAN, ILL. June 12—The Association of Township Officials of Illinois demanded today "a fair portion of motor vehicle revenues" for local roads which "constitute approximately 75 per cent of the Illinois highway system" cost of which is borne solely by taxes on local property.

William J. Vieregge, president of the association and highway commissioner, Douglas township, Iroquois County, said directors of the organization had adopted a resolution setting forth its position respecting Illinois highways.

The resolution said the association was particularly concerned with the preservation of home rule for the handling of local affairs and with the maintenance of adequate highways at a minimum cost to the taxpayers.

Opposition was expressed to any legislation which would compel consolidation of townships for road purposes against the will of the people affected. The association urged that no change be made in the present law which now permits such consolidation when approved by a majority of the voters.

The resolution said the association favored a return to the 20 ton weight limit for tractor trailers which existed before 1945. "Experience has proven," the resolution said, "that excessive weights now permitted are responsible for the premature destruction of the roads and bridges in this state. A lower weight limit is required to avoid tremendous highway expenditures and for the convenience and safety of all our people."

The association said it favored changing the law which permits heavy trucks from other states to use Illinois roads free of charge. Agreements with other states for truck tax exemption should be limited to adjoining states.

An increase in the license fees of heavy commercial trucks, was urged in the resolution, so they will be required to pay their just share of the cost of construction and maintenance of roads.

Many Guests Attend Silver Wedding

Mr. and Mrs. Herman Barlewort of Frankfort, who celebrated their 25th wedding anniversary Sunday, received about 150 guests in their home. They had open house from 2 to 5 and from 7 to 9 p. m. They received many cards and gifts from their relatives and friends and Mrs. Barlewort was presented with a television set by her husband. She wore a corsage of pink carnations.

The refreshment table was decorated with a center piece of white roses and the wedding cake was three tiered. Mrs. Barlewort's godchildren, Sally and Judy Larson and Eleanor Finholdt, poured. Guests attended from Elwood, Joliet, Plainfield, River Forest, Chicago, Blue Island, Oak Lawn, Lockport, Mokena, Buckley and Frankfort.

A self-feeder with ten feeding compartments will accommodate 30 to 40 head of fattening hogs, say University of Illinois Agricultural engineers.

Letters to the Editor

(Continued from first page)

Palos township, especially that part north of 11th street, has had a large population increase of the kind which did not bring a corresponding rise in taxable property. So for the past several years, the schools there have been in real financial trouble. There is much overcrowding and a bare minimum of education is all that has been given. Tax collections in that area also run much below the high level always maintained in Orland township.

Of course these people must be educated and Argo with its industry, is the place for them. It is only common sense for Orland to think first of educating its own children to the best of its financial ability.

It would seem that the proposed merger will not give us a better school, but only a BIGGER one. Parent Interested in a Really Better High School for This Area

Letters to the Editor

In last weeks issue of this news-

New Instrument Aids Farmer

FORD TRACTORS now coming off the assembly lines at the Ford Highland Park, Michigan, Plant are equipped with the new Proof-Meter, an instrument which "takes the guesswork out of tractor operation." Actually five instruments in one, the Proof-Meter shows engine speed, tractor speed, power take-off speed, belt pulley speed and total hours

worked by the tractor. The farmer in the picture is recording hours of tractor operation for use in determining his farming costs. In the lower right hand corner is an enlarged close-up of the Proof-Meter, which Dearborn Motors officials say is the first instrument of its kind to be made available on a farm tractor.

papper there appeared two "letters to the editor" written in opposition to the proposed consolidation of the Orland and Palos High School Districts. These letters were signed by "An Orland Resident" and by "A Parent and Taxpayer" respectively. The Orland High School Board approves public discussion and writing on all issues of interest to the citizens. We realize that these two "letters to the editor" may have seemed rather confusing and alarming to some readers, and we offer the following comments on the issues raised by the writers of these letters. We shall try to state each point clearly and simply, keeping strictly to the fact or to our best judgment in cases where all the facts cannot be determined at this time.

1. One letter states that in the Board's recent articles we have presented only the arguments in favor of the proposed consolidation and that we have hidden information against the plan.

It is true that most of the emphasis in our articles has been in favor of the consolidation. We offer no apology for this because we believe the people in our district want us to report to you what we consider to be best and why. We held some thirty special meetings before May of this year to study and discuss all angles of this question before making up our minds. Many of you attended one or more of these meetings, and we leave it to you to decide whether or not we tried honestly to look at all the facts before reaching a decision.

As for hiding information, we do not see how anyone who has followed our study of this question could make such a statement sincerely. We have never pretended that our proposal is perfect, and we have constantly spoken and written to both its advantages and its disadvantages. What we have said is that in spite of certain disadvantages, it is our considered judgment that this consolidation is the best plan which has a reasonable chance of being approved by a substantial majority of our people.

2. The statement is made that one set of articles has been published in the Orland paper while an "entirely different set of articles" has appeared in the Palos paper.

This is true. It seems to us that this is as it should be. The Palos Board has written articles for publication in the Palos paper, while our Board or its representatives have written the articles for the Orland paper. Naturally, the articles in the Orland and Palos papers have not been identical. However, the two sets of articles have not in any way been contradictory.

3. It is claimed that if the pro-

posed consolidation carries, the high school tax rate in the Orland district will be increased by 40 percent to 60 percent.

The Board expects that our tax rate will rise rather sharply in future years whether we consolidate or not. In our recent articles we have tried to make this clear. If we leave our present high school arrangement unchanged, we shall lose \$12,000-\$15,000 annually in tuition. Then, if we try to maintain and improve our own high school by buying the elementary school building in Orland Park and remodeling it, our tax will rise. Or, if we consolidate the Orland and Palos districts and build a new high school, our tax rate will rise. Just how much our tax rate will rise in each of these cases we cannot be absolutely certain at this time, and we doubt if anyone else is certain.

However, on the matter of taxation we wish to say that this Board is just as eager as any citizen to keep taxes down. This is evidenced by the fact that during the present school year we have reduced the high school tax rate from \$1.05 to \$.83. You can depend upon us to take similar action in the future whenever it is possible to do so.

4. It is argued that "Orland High School is not affected by the new laws; therefore, there is no reason why we should take such a drastic step (i. e., consolidation) at this time."

The first part of this statement is incorrect; and second part is a matter of opinion. It is true that the new state laws will not close the Orland High School, but these laws will take away from us some fifty tuition students each year. As explained above, this means an annual loss to the high school of \$12,000-\$15,000. This loss of income will hurt more and more in future years as the high school enrollment within our own district increases.

5. The opinion is expressed that if we build a new high school, "it will have to be of the cheapest possible construction," since otherwise we should not have the bonding power to pay for it.

The Board is not sure just what the writer means by this comment. It never has been our intention to build an elaborate and costly building. It will be our hope that we can erect a good, substantial, safe high school building of which we can be proud. We have consulted several firms of architects, and we have their written opinions that this is possible. Correspondence from these architects is in the Board's possession and will be shown to any interested citizen. Surely the writer of this letter does not think that our new high school is likely to be less satisfactory for a high school educational program than our present

arrangement.

6. Finally, the observation is made that our high school has been "good enough to attract approximately 50 students from nearby communities—Mokena, Tinley Park and even Palos", and it is suggested that this means that our high school is good enough as is.

The Board is proud of the quality of the education provided by our present high school. But we do not believe any thoughtful citizen would contend that we have a much to offer our children as Joliet or Thornton or LaGrange. The simple fact is that many of our tuition students from Tinley, Mokena and Palos have come to us because of transportation advantages—not because they or their parents considered our school better than others.

In conclusion, we wish to re-emphasize the importance of getting two sides of this question (and we are perfectly willing to admit that there are two sides) out into the open and discussing them frankly and honestly. If you have other questions to ask, please give them or send them to the Orland Park Superintendent of Schools or to the Board of Education. Or, if you prefer, a representative of the Board will talk with you personally or will meet with any community or organization to discuss the proposed consolidation in more detail.

We can expect some difference of opinion on a subject such as this and none of us should feel bad if we do not all agree completely. What is more important is that all of us go out of our way to look honestly at both sides of the question, at the same time preserving good will toward those whose opinions differ from our own. As one means of helping to insure this good will, we respectfully urge those who write letters for publication in the future to sign your names so that all readers may now whose opinion is being expressed. We assure you that we shall continue to follow this rule in the future as we have in the past.

State Supt. Nickell Tells of Two Types Of World Governm't

"Too many Americans regard government as a goose that lays golden eggs. Too many Americans fail to realize that the goose has a voracious appetite for tax money but has added nine goose eggs to the national debt of two hundred and sixty-one billions of dollars." Vernon L. Nickell, state supt. of public instruction, told an audience of Stretcher Elks recently. He was speaking on the Wake Up America program arranged by Stretcher Lodge No. 591; one of a series of nation-

wide Wake Up America programs sponsored by the National Service committee of the Elks fraternity. The meeting was held in the grand ballroom of the Elks Club in Stretcher.

In his remarks Nickell warned of any attempted changes in our way of government. "Up until the year 1917 there were only two types of government in the world. One type was the democracy; the other, monarchies of varying modifications. Of the democracies, the United States was the outstanding example. From the time we set it up; from the time we adopted our constitution in 1789; we had been a model for the rest of mankind. For

128 years every change in government that had taken place anywhere had been a departure from monarchy or a limitation of it. But in 1917 the Russian Revolution spawned a cancer of communism that has grown into the Soviet Union that we know today; a cancer that is seeping its deadly danger around the world and into every government that has shown weakness or complacency."

Nickell went on. "Liberalism is nothing but an alibi for socialism and centralized power. The bait of man as his brother's keeper attracts many of our noblest spirits, the poisonous hook lies hidden in man's power over his brother." "We may be very sure," Nickell said, "that if America abandons liberty to follow the swamplights of either Fascism or collectivism out into the bogs of Communism, future generations of Americans must climb slowly and painfully back out of that foul morass to fight again and to die to regain the liberties which this generation so thoughtlessly tossed away."

Nickell concluded by saying, "And the challenge to you and the challenge to me, is that before we are Democrats, or Republicans, before we are any of the things that separate us, let us upon the altar of our country place a sacrifice and stop treating that altar as a crib out of which to feed."

You can't say anything about the food tastes in other countries if you relish a succulent crab, lobster or shrimp. According to Childcraft books, these three creatures may be a gourmet's delight, but they are close relatives of insects and spiders.

SCRIPTURE: Malachi
DEVOTIONAL READING: Malachi 4: 1-6.

Help for Our Times

Lesson for June 18, 1950

FOR TIMES that are dull, times without hope, Malachi is the prophet. When he lived the exile was over; but it was no golden age. In the dingy little city of Jerusalem, rich and beautiful no longer, lived only a comparative handful of rather poor people, dragging out a monotonous existence. To these people, living in discouraging times, Malachi had, and has, a message from God.

His prophecies do not have the bitter tang of Amos nor the melancholy of Hosea, the grandeur of Isaiah, the dramatic power of Jeremiah or the eerie visions of Ezekiel. But with inspired common-sense, he offers in the name of God a simple remedy with four ingredients.

Better Leaders
SPEAKING DIRECTLY to the leaders of the people, namely the priests, Malachi condemns them for not really taking stock in the thing they were doing. How we need that today! If the church today in any place is dead, you may be sure there are some dead leaders. Dead from the neck up, that is. And not necessarily the preachers.

Many a good preacher breaks his heart for lack of support. How many men and women, in your church, can the minister count on to fill in where they are needed, without making up a dozen reasons why they "can't" do it?

Why do Christians talk and pray as if their religion were all-important, but act as if everything else came first?

Law Observance

ANOTHER THING for which Malachi pleads is law observance. (E.g. 2:8; 3:5) They did not need new laws, for they had good ones. What they needed was to obey the laws they had. This again is what our times need. We have so many laws now that only an expert can keep up with them. No civilized nation could live, to be sure, under the unchanged statutes of a generation ago.

Nevertheless, if all the legislatures in America were to resolve to pass no more laws for five years, and if for five years the energy, time and money spent ordinarily on getting up new laws were put in on educating the people in the laws now in existence, and in fostering law observance and in preventing and punishing crimes, ours would be a better country.

The Unbroken Home

AGAIN, Malachi stands for the unbroken home. He knows that no country can be strong when its homes are weak. (2:10-17.) In the year 1948 there were about 420,000 divorces in the United States, and 1.80 million marriages.

That is a divorce rate of about 23 per cent. In some states the percentage of divorce is even higher. Indeed, in one large midwestern city it was announced in the papers about two years ago that the marriages had "caught up with" the divorces, i.e., they were at last having more marriages than divorces! This was an extreme case.

To say nothing else about it, 420,000 divorces and 12,000 desertions means that in the United States alone there are at least 432,000 persons who have no regard for the most solemn promises.

Support The Church

FIRST AND LAST, Malachi asks better support of the church. You need the church, of course; but then the church needs you. There is need for better leadership in the first place, and better support from the common man. Few persons want to live in a community without churches; yet a mere church building will not effect community life in the least. A beautiful building and a tall white spire are not a church.

The only church which will help a neighborhood is one in which the neighborhood takes an active part, a church where neighbors together worship God and where they are inspired to plans and acts of service for their fellow-men.

The main object of the church is not to shore up the country; still if you want a better country, one of the best ways to support it is to support the Christian church. For of all the institutions in the nation, the church is the only one devoted to the purpose of transforming human lives.

Soil Losses High Already For 1950

More than one-fourth inch of top soil has been torn loose and washed away from a great many fields in southern Illinois in just the first two months of this year!

That's not the loss for five years or even for just one year. That's the loss for only two months. And it's not a guess. It's a fact.

Research workers at the Dixon Springs Experiment Station keep a close tab on water runoff and soil losses from the experimental plots at the station. They knew that when Nature spilled more than 26 inches of rainfall on southern Illinois during January and February soil losses would be high. Even so, they were amazed at how heavy the losses really were.

On plots of wheat ground where the slope was nine percent and where corn stalks had been disked down prior to seeding, the soil loss amounted to 39 tons per acre. That represents nearly a carload of soil, enough to cover an acre one-fourth inch deep.

On wheat ground with five percent slopes where the cornstalks had been disked in before seeding, the loss was 10 tons per acre. Where the stalks had been removed, the loss jumped to 15 tons. Fertilizer applied at seeding time was lost too.

Remember that these losses were on plots where the wheat was contoured. Losses on wheat drilled up and down the slopes would be much greater. And while these losses were measured in southern Illinois, they represent what's happening all over the state when the soil is left exposed during the winter and spring months.

When the soil has a cover, water runoff and soil losses are greatly reduced. The research workers at the Station report that soil losses on lespedeza for the same period were less than two-fifths ton per acre. Long-time averages on well-treated, properly managed pastures have shown that soil losses can be kept to within one-eighth ton per acre per year.

The answer, of course, is not to do away with all wheat land. But these soil losses figures are more evidence of the need for more rapid adoption of conservation measures—contouring, strip cropping, terracing, better rotations, and more legumes and grasses.

Buildings in southern Illinois are in greater danger of being damaged by termites than those in central or northern Illinois.

Bang's disease or brucellosis is the cause of about 85 percent of the abortions in cattle, report University of Illinois veterinarians.

From where I sit... by Joe Marsh

Oh—My Aching Feet!

Other night just as I was settling down with a book and a mellow glass of beer, the wife calls down, "Joe—I almost forgot—you and I are going over to the High School and take dancing lessons!"

Now, I can waltz with the best of them, so I put up a quiet struggle against going but it was no use. Turns out it was the class in square dancing. And from the look on some of the other men I judged I wasn't the only one there who had been taken by surprise!

Miss Williams and Curly Lawson taught us what to do with our

feet, and before it was over, darn if I wasn't actually enjoying myself. Going back next week, too!

From where I sit, we sometimes get an idea into our head for or against something and then hang onto it for dear life. Whether it's square dancing, or the right to enjoy temperate beer or ale now and then, we owe it to ourselves as Americans to take an open-minded attitude—that's even after we make up our minds about it!

Here's how the A.O. Smith HARVESTORE meets these farm problems

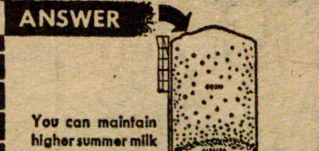

That's a lot of hard work plowing "the old way" day in, day out—(especially in the winter, when it's frozen.)

The HARVESTORE mechanically unloads from the bottom! You never have to go into it to fill or unload. Never a worry about frozen silage.

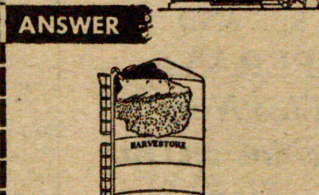

That milk production goes down when summer pastures dry up... and you can't bring it back until your cows freshen again.

You can maintain higher summer milk production and avoid a sharp, dry-pasture slump by feeding corn, grass or legume silage from HARVESTORE!

That spoiled silage is a waste—and there's a further loss in feeding even partially-spoiled silage.

The A. O. Smith HARVESTORE does away with spoiling because it keeps air out by a breather system. You can fill it with any crop—anytime—and feed the freshest silage you ever saw—the year around.

MORE MILK • SILAGE SAVED • LABOR SAVED • UPKEEP SAVED

The A. O. Smith HARVESTORE will make farming easier, more pleasant and more profitable for you. Its "Glass-Surfaced Steel" construction—inside and out—makes it a lifetime investment with practically no maintenance costs. Be a leader in your community. Adopt this modern, money-making method of harvesting and storing your forage crops.

For real down-to-earth dollars and cents figures on the money you can save—write or call your nearby HARVESTORE man:

state finals, a rural youth member must win a local contest conducted in his county. All county winners will be invited to the finals.

A county contest will include three parts: They are:

1. A period spent studying safe driving techniques and Illinois traffic laws;

2. A written examination on safe operation of cars, trucks and other vehicles, and on traffic regulations;

3. A "behind the wheel" driving contest composed of skill tests and a road test under actual driving conditions.

The skill part of the contest is made up of tests on angle parking, serpentine driving, parallel parking and others.

Judges of the county and state contests will be local police officers, state highway patrolmen and Farm Bureau officials.

TAX FACTS
By George E. Mahlin, Executive Secretary
Taxpayers' Federation of Illinois

In this annual period of graduation exercises there is a strong moral not only for our young people but for every adult in the story of what's happening to sea gulls in the vicinity of St. Augustine, Florida, now that the shrimp fleet that operated there has moved to Key West.

The incident inspired J. W. Gore to write an editorial in the Fort Lauderdale Daily News, which pointed out that the sea gulls, long accustomed to feeding on scraps and waste thrown overboard from the shrimping fleet, have forgotten how to catch fish for themselves. The free dinners made it unnecessary for them to use their own natural talents.

But suddenly, the shrimp fleet went away. The gulls have not been able to adjust themselves to the new situation. The reefs and shores around St. Augustine are lined with long, silent rows of gulls with their dark eyes turned prayerfully out to sea—waiting for the shrimp

fleet and the free meals that won't return.

As generation after generation of gulls learned to depend on the shrimp fleet, parent gulls apparently forgot to teach their little ones the age-old methods of catching fish. So today, the gulls are starving.

It is a paradox that nature gives us. Here are some of the most independent creatures of the universe, with talents to take care of themselves, victimized because they succumbed to the "something for nothing" lure. They became dependent to such an extent that parents apparently forgot to teach offspring how to get along otherwise. With the free food gone, the offspring of these indolent parents are paying the penalty.

We wonder if people aren't a great deal like the sea gulls of St. Augustine. We wonder how many Americans think it is no longer necessary to teach their offspring that the day of government handouts may sometime draw to a close. And we wonder then, how many Americans may be left like the gulls—puzzled and bewildered because the sustenance has disappeared and they have no resources of their own to fall back on.

Peach Crop Not as Large as Last Year's

Looks like Illinois peaches are definitely going to be a scarce item in the grocery stores this summer and fall.

"We'll be lucky to have a crop one-third the size of last year's record peach harvest," says Vic Kelley, University of Illinois fruit specialist.

He estimates a crop no larger than 800,000 bushels after making a spot check of some southern Illinois orchards. Last year Illinois had over two million bushels of peaches on the market.

The fruit specialist reports that some orchards were completely frozen out by the sharp temperature drops last January. Others will come through with only half a crop, while orchards ideally located on high ground are practically undamaged.

Hadacol Helps Wife Keep Her Family Well and Happy

HADACOL HELPS FOLKS SUFFERING FROM
DEFICIENCY OF VITAMINS B₁, B₂, NIACIN AND IRON

Mrs. Edward H. Newton, 4364 Reading Road, Cincinnati, Ohio, feels that a wife's chief responsibility is attending to the welfare of her family at all times. HADACOL has been a big help to her in keeping her husband and little nephew well and happy.

Mrs. Newton's family, like so many, were suffering deficiencies of Vitamins B₁, B₂, Niacin and Iron, which HADACOL contains.

HADACOL brought such wonderful results to her husband, who had suffered from stomach distress that Mrs. Newton gave HADACOL to her three-year-old nephew, Bobby Newton, with equally gratifying results.

Mrs. Newton's Statement

Here is Mrs. Newton's statement: "I gave my little nephew HADACOL because he was pale; he had no appetite; he was run down and he caught colds repeatedly. After taking HADACOL, he has an appetite, has color in his cheeks and he is healthier all the way. My husband has always been troubled with his stomach. After taking five large bottles and three small bottles of HADACOL, he eats anything and is not bothered with his stomach." Mrs. Newton has recommended HADACOL to many of her friends.

Helps You Feel Wonderful!

Why not have a similar happy experience happen to you? Now don't keep putting it off—don't say that you'll start taking HADACOL tomorrow. **START TAKING IT TODAY!** If only you'd realize the wonderful bene-

fits that people by the thousands are getting from HADACOL, you wouldn't delay a single minute.

Hundreds of Doctors

... have prescribed HADACOL for their patients, have requested quantities of HADACOL for their own clinical use and for their own families. The fact that HADACOL is scientifically formulated, compounded so that it contains therapeutic quantities of Vitamins B₁, B₂, Niacin and Iron to supply deficiencies of these vital elements and is enriched with helpful amounts of Manganese, Calcium and Phosphorus (in liquid form), help to account for its increasing acceptance by doctors.

You'll Feel Great . . .

... with the first few bottles you take, or your money back. There is only one HADACOL and it is sold on a strict money-back guarantee. So give this remarkable HADACOL formula a chance to help you if you suffer from any sickness caused by deficiencies of Vitamins B₁, B₂, Niacin and Iron. Remember that HADACOL is amazingly different and amazingly effective because it treats the real cause of the conditions you suffer from by supplying the deficient elements of Vitamins B₁, B₂, Niacin and Iron. Make up your mind to take HADACOL regularly. Refuse substitutes. Don't be satisfied with temporary relief. Insist on the genuine. You can't lose a cent, because it's sold on a strict money-back guarantee. Only \$1.25 for Trial size, Large Family or Hospital size, \$3.50.

READY FOR GRAND OPENING—Scenic splendor, both natural and man-made, is amply evident in this view of California's Shasta Dam, which was scheduled to begin operations at dedication ceremonies June 17, as part of the Shasta Centennial. The huge dam, three times as high as Niagara Falls, is the main structure of the California Central Valley irrigation and flood control program. Towering in the background, at right, more than 60 miles away, is Mt. Shasta.

stake in the battle against the venereal diseases," Dr. John B. Hall, Director, Cook County Department of Public Health stated. "By conservative estimates one in every 10 Americans is a victim either of syphilis or gonorrhea, a tragic trend in the face of medical weapons available to fight these diseases," Dr. Hall stated. Youth are the most tragic victims, forming about half the number of patients reported to the United States public health service this fiscal year. "The reported cases are getting treatments," Dr. Hall declared, "however, the unreported cases are the dangerous ones, forming a pool of

infection that seeps out to the rest of the population."

Today's venereal disease problem may be summed up in the form of a classified advertisement.

WANTED—The undiscovered 150,000 persons with infectious syphilis and the 800,000 with gonorrhea—to apply for diagnosis and treatment of their own accord.

Asked the number one problem in the control of venereal diseases today, most public health officials will immediately answer "case-finding." That is finding those undiagnosed and undiscovered cases of syphilis and gonorrhea at large in the population.

We have made great progress in the past decade to wipe out venereal disease—but the fact is: Venereal Disease is Still Unbeaten.

Syphilis mortality rates in the United States have decreased a third during the past decade. Gonorrhea treatment is now readily accomplished in one visit to the physician's office or a venereal disease clinic.

Under current schedules, syphilis treatment with penicillin is now completed in 10 days. The public has indicated its willingness to accept venereal disease as a national problem to be faced and overcome.

But in spite of these modern advances, the fact still remains, Venereal Disease is Still Unbeaten.

So health officials have turned to what seems to be their greatest handicap in beating the venereal diseases. The problem of finding unreported, and therefore untreated cases.

Just how are they going about this? Let's look at several cases in Cook County that portray the three methods that are commonly used in discovering cases of venereal disease.

First is the case of Henry, the 19 year old young man who became the victim of a wild party and an indiscrete pickup. A few days after his adventure he reported to one of the Cook County venereal disease clinics with symptoms of gonorrhea.

He knew the symptoms and also the need for prompt action, so he sought treatment himself. This is the type of case-finding that health officials strive for. This voluntary reporting is our most productive method to date, producing about 60 percent of our cases coming to treatment.

Another case from the Cook County records is that of Sally. She had been employed as a waitress for several months before receiving a physical examination required for food handlers. A routine blood test, done as a part of the examinations, showed Sally to have syphilis still in its early stages.

Sally received the 10 day treatment, now commonly used for syphilis, and was back at work in a short time, free of the disease.

This method of case-finding produces almost 20,000 cases annually throughout the country. Called "screen examinations," it includes those cases found through pre-employment examinations, health check-ups, premarital and prenatal physical examinations and other routine health exams.

The third method through which cases are found is that known as "contact investigations." Everyone found to have a venereal disease is asked to give the names of recent social contacts. Each of the names so listed are investigated by health department specialists. These "contacts" are then examined for signs of venereal disease.

This method is the most costly but also the most direct. It requires specialized personnel and adequate time for interviewing patients and locating contacts. But it has the advantage of being specific and selective, because it starts with a known case for which there should be at least one additional case.

So with these three methods aiding them, health officials are attacking their paramount problem in venereal disease control. Their aim is to bring to treatment, either by a private physician or a clinic, all of the unreported and unknown cases of syphilis and gonorrhea.

The Cook County Department of Public Health maintains five clinics for the purpose of diagnosing and aiding the treatment of venereal diseases. These clinics are located at: Berwyn, 6600 W. 26th Street; Chicago Heights, St. James Hospital; Harvey, 15430 Park Avenue; Maywood-Melrose Park, 1900 St. Charles Road; Robbins, 139th and St. Louis Avenue. For additional or personal information you may call CHesapeake 3-6553.
